Exhibitor Packages and Sponsorships

May 10-11, 2023

World Trade Center, Barcelona

SOLAR+ ESPAÑA
STORAGE

in partnership with
pV magazine

Why Exhibit?

Solar & Storage España offers exhibitors an efficient and sustainable platform to grow their client base by meeting new and existing clients, and networking with peers from the industry.

Become an exhibitor and showcase your latest products and services to an audience of decision-makers from all segments of the solar and storage industries.

The team of Solar + Storage España will support all exhibitors before, during and after the show, to make exhibiting as easy as possible.

Benefits for Exhibitors

Profit from an easy exhibition set-up with **turn-key booth building** already included. All exhibition booths are equipped with booth walls incl. header, standard carpet, lighting and electricity as well as one high table and two stools. During the show, all exhibitors will have access to **free WiFi** onsite.

Furthermore, all exhibitors will be **promoted on the event website** featuring an entry on the exhibitor list, company profile (150-word description) within the exhibitor catalogue and an entry on the floorplan including the company logo.

All exhibitors receive **unlimited free exhibition tickets** as well as a **limited amount of full conference passes**, with a program dedicated to the growing Spanish and Iberian solar and energy storage markets. Listen to high level discussions from key-stakeholders and attend unique networking opportunities during the two-day exhibition and conference.

Gain further visibility by becoming a sponsor!

All Sponsors at Solar + Storage España benefit from extensive support during all stages of their participation by the Solar + Storage España team, that will also provide a detailed post-show report after the event.

Each sponsorship package includes the following wide range of **promotion across the pv magazine's channels** prior and post the event:

- Event social media posts to pv magazine España and pv magazine Global
- Event mailings to pv magazine España and pv magazine Global databases
- Event teasers included in pv magazine's daily newsletters
- Display of the event on pv magazine España and pv magazine Global websites
- Display of event banners across pv magazine communication channels
- Coverage on pv magazine España and pv magazine Global websites

Additionally, **Host, Terawatt** and **Gigawatt** Sponsors gain stage presence during the conference (in consultation & accordance with the pv magazine team), including visibility in the official program and presentation of the speaker on the event website.

Host Sponsorship

Focal point of communication with the highest level of visibility leading up to and during the trade show and conference.

Benefits
