

SOLAR+ STORAGE MIDWEST

2019 POST SHOW REPORT

Solar and Energy Storage Midwest 2019 brought together over 550 attendees and 30 exhibitors interested in growing the Midwest solar and storage market. The theme of the event was based on moving the Midwest forward with the integration of distributed energy resources. Moving into 2020, you can expect to see more education and exhibitors in the solar, energy storage, and wind energy markets.
