

SOLAR POWER TEXAS

2019 POST SHOW REPORT

With 500+ energy professionals and 35+ exhibitors in attendance, this year's Solar Power Texas was the biggest one yet - featuring two days of exhibition, a robust education schedule, networking opportunities, and exclusive workshops, attendees received nationwide market updates from large company executives and local policy drivers. The debut of the new Installer Program drew more installers than ever before, accounting for 15% of this year's attendance.
