BOOTH PERSONNEL: Booth personnel must maintain a professional appearance. This includes, and is not limited to, ANY gender used by exhibitors to promote their products at RE+ by using overtly sexual or suggestive methods. Partial nudity, the aggressive display of cleavage and the navel, and shorts/skirts higher than 4" above the knee are not allowed. If for any reason an exhibit and/or its contents are deemed objectionable to RE+ show management, the exhibitor will be asked to alter the attire of its staff.

RE+ further recommends that you encourage your booth personnel to:

- abstain from overt statements or offensive humor, which would disparage the dignity of any individual or group;
- substitute asexual words (e.g. sales representative or salesperson instead of salesman);
- refrain from using labels (e.g., referring to women as "girls"); and
- eliminate from all marketing collateral sexist language (i.e., replace masculine pronouns with he or she, or reword sentences or phrases) and discriminatory jokes or visual aids that show people in stereotypical roles by presenting individuals without bias regardless of sex, race, age, groups, etc.

All booth personnel must wear a conference badge at all times.
